

IRCs & Clean Release Membership Cards

Strata-Tac offers a variety of products to help you create instant redeemable coupons and membership cards for your customers.

- Our coupon film with patterned adhesive helps you create membership cards at a width that will maximize your press.
- Ideal for use in the production of clean release cards. The pattern with lift edges allows for the ID cards to be affixed while not pre-dispensing, even when heavy processing is intended.
- You can laminate the face stock of your choice.

Choose how you would like to run your lift edge clean release membership cards from a variety of patterns. Many of these patterns are in stock.

- “A” to run 1 card horizontally on a 4” slit roll.
- “E” to run 2 cards horizontally on a 7.5” roll.
- “U” to run 2 cards horizontally on a 8” roll.
- “L” to run 3 cards horizontally on a 11 1/4” roll.
- “T” to run 4 cards horizontally on a 14 7/8” roll.
- “EL” to run 3 cards vertically on a 7.5” roll.
- “G” to run 4 cards vertically on a 9 7/8” roll.
- “V” to run 6 cards vertically on a 14 7/8” roll.

All patterns are available with either paper or film liners. Plus, we offer both single or dual liner constructions.

Strata-Tac also has the face stocks you need.

White Laser PET is available in 5mil, 6mil, 7mil & 10mil and can be supplied either with or without adhesive. We also offer 8pt tag.

In addition, our face stocks can be coated for laser, ink-jet or HP Indigo printing.

Universal Release Pattern for IRCs & Cards:

- “WA” pattern is available in custom widths with full coverage of our easy release universal pattern for use with any size or shape coupon you design.
